Here is our timetable for the week:

Can you help with supervision at the pool and the walk to the pool?  Please let us know on Kindo
<b>Tuesday</b>	<b>Local Spots rotation:</b> Classes will rotate around Weka Park (sports), Marine Gardens (scavenger hunt) and the beach (sandcastle creations) 11.30am-3pm	You're welcome to join us!

<b>Thursday</b>	<b>Survivor Day and Tabloid Challenges</b> Kids will team up to survive a day on the school field! They'll work together to organise shelter, food, entertainment and then complete class challenges, competing for the Team Plate.	More info will come. You're welcome to join us!
<b>Friday</b>	<b>Last full day of school:</b> Transition morning (2021 classes), class celebrations	

We will update activity information on Seesaw as we get closer to week 9 but please feel free to ask any questions in the meantime.
