

RAUMATI BEACH SCHOOL

5 December 2018

Dear Whanau, Parents & Guardians,

TRANSITION DAY

Your child had the opportunity this morning to work with their 2019 teacher and classmates. Most children were also able to work in the space that will become their class.

This was the first opportunity to build relationships and for teachers and students to find out about each other. Staff profiles are up on the school website (www.raumatibeach.school.nz) under the 'Teams' Section.

'TEAM-UP' DAY: PRE-START INTERVIEWS -Tuesday 5th FEBRUARY 2019

This is an opportunity for parents and whanau to meet your child's teacher and share your knowledge about your child. Goals will be drafted for 2019 which will be further refined during the first few weeks of term 1.

Teachers would also be keen to know how families could contribute to our learning community through sharing their expertise and skills. We'd love to hear from you.

'Team-up' day is the first day of the school year and the meetings with your child's teacher are a vital part of the learning journey here at RBS. We would encourage students to also attend these meetings and for families to complete the attached 'getting to know you' sheet.

Parents are invited to book a ten-minute meeting with their child's 2018 teacher through the school's on-line booking system.
