

# ***RAUMATI BEACH SCHOOL***

20 August 2020

Dear Parents & Guardians,

## **NETSAFE EVENING**

**Tuesday 1<sup>st</sup> September**

**Learning Street**

**6.45pm**

“Online safety for parents and whanau is more important than ever. As young people and children begin to spend more time online, it’s important that parents support them to build their knowledge of the online environment and to develop emotional and social capabilities to help them make safe and responsible choices when they are online.”- Netsafe.

Join Netsafe's Education Advisor Pauline as she unpacks the risks, challenges and opportunities of digital technology, and the practice always we can all help young people to be safe online.

We advise that you leave your children at home so that Pauline can unpack all of the risks online. We will have one classroom open with supervision and a movie. Please let us know via Kindo if you will be attending (so that we know numbers and if you need supervision for your child).

Although this is predominately for our whanau that have students in years 5 - 8, if you have younger students in years 1 - 4, this will still be of benefit.

Nga mihi nui,

Kate Hudson-Gill

**ACTING DEPUTY PRINCIPAL**
