Dear Parents and Guardians

What a fantastic evening we had last week for our Matariki celebrations. Thank you to those of you who came and supported the evening. We were treated to a number of wonderful performances which certainly showcased the talents of many of our students. A special mention to the Kaumatua Group who also gave up their time to entertain us.

As this is the final newsletter of the term I would like to say thank you to the many parents who have helped us during the last ten weeks. If you are travelling away during the break I hope that your travels are safe ones.

BACK FIELD SURVEY

The Survey is now closed. Thank you to those of you who took the time to vote on your preferred option. The BOT will report back once the results have been discussed.

DRAINAGE UPDATE

The Drainage Engineer has mostly completed the Stage 1 & 2 design. Initial tender documents are almost complete. We are waiting for KCDC to confirm the amount of water we can discharge into their system on Kapiti Road before issuing the tender documents.

HOLIDAY PROGRAMMES

With the holiday break here there are a number of options available for families throughout the Wellington region. <https://www.eventfinda.co.nz/children-kids-holidays/events/wellington-region>

YEAR 2 PURCHASES eLEARNING STRATEGIC PLAN

The school is about to purchase another 65 Chrome Books to increase the number of machines and accessibility. This will bring the number of school owned Chrome Books to 98. These will be out in classes at the beginning of next term.
