

RAUMATI BEACH SCHOOL

5 February 2019

Dear Parents, Guardians & Whanau,

TE MOANA - YR 3 & 4 - BEACH ED 2019

Wednesday 20 FEB: Rm 24/25

Thursday 21 FEB: Rm 22/23

Friday 22 FEB: Rm 26/27

As part of Aquatics Education, year 3 & 4 are participating in the 'State Insurance Beach Ed' programme hosted by Surf Life-Saving New Zealand at Paekakariki Beach. With New Zealand's coastal nature and high statistics with drowning, this programme is designed to enhance your child's water safety education.

The cost of the programme is \$13.50 and this needs to be paid on Kindo by Friday 15 February.

We will be travelling to Paekakariki Beach by car and require adult help for transport and supervision during the day. If you are available to transport students please indicate the day you are available and how many students you can transport in Kindo. Your help would be greatly appreciated.

The programme also requires a minimum of 1 adult to every 5 students in the water. Helpers and teachers are required to participate in both beach and water activities. It is essential that helpers bring their togs and are prepared to get wet. It is recommended adults bring a wetsuit for the day.

If you have any questions, please contact your child's classroom teacher.

Regards,

Te Moana 3&4 Teachers
