Consequences for choosing to break rules

I have read and understood the camp contract.

I will accept the consequences if I fail to meet my responsibilities.

STRIKE ONE: First offence: warning, reminder of rules and expectations.

STRIKE TWO: Second offence: removed from activity, may miss next activity as decided by teacher(s). Restorative chat between parties involved.

STRIKE THREE: Third offence: Miss whole day of activities. Parents will be contacted for a conference at camp.

Any incidence of severe misconduct may result in the student being sent home. Parents will be contacted and may be expected to collect their child from camp as soon as possible.

Note: *This decision will be made in consultation with attending adults and Principal/BoT Chairperson, but is ultimately decision of Teacher in Charge. If student is sent home, no refund of camp costs is possible and parents will pay transport costs.*
