Dear Parents and Guardians

Another very busy term is coming to an end, as always a huge thank you to our parent community who have supported us in so many areas and activities.

If you are travelling away during the holiday break, I wish you all safe travels. I have included some links in this newsletter to activities during the break that some of you may find interesting.

### **GOVERNMENT REVIEW OF THE NZ SCHOOL SYSTEM**

A reminder that you can have your say about what is important to you about the future of education in NZ. Please visit the independent review website.....

You can find out more about the review and have your say on the Tomorrow's Schools Review website <https://conversation.education.govt.nz/conversations/tomorrows-schools-review/>

### **WORK PROJECTS**

Exciting news..... the BoT have approved the back field project and accepted a tender from Mexted's for resurfacing. I will be having the first site meeting this week with an anticipated start date for this month. We are hoping to get a large portion of the major ground work done during the holiday break to minimise machinery movement when students are here. While the field is under construction we will look at alternative areas for students to play on.

### **HOLIDAY PROGRAMMES**

Here are some of the holiday activities available for children in the greater Wellington area during the July break.
