

# RAUMATI BEACH SCHOOL

29 May 2017

Dear whanau,

## INFORMATION SESSIONS: LIFE EDUCATION AND KEEPING OURSELVES SAFE

Our year 7 and 8 students are currently engaged in a learning inquiry which explores different facets of their hauora, health and wellbeing. As part of this, the students will be working with Paula from Life Education, and Andrea, our Police Education officer.

We would like to invite you to learn more about these programmes, so that you are informed of the content and are equipped to have conversations with your children at home. The topics covered in our sessions address very real challenges for our students (such as substance abuse, relationships, cyber danger, bullying) but can be confronting. **We encourage you to take up the opportunities below so that as a community, we can work together to support our young people.**
