

# **RAUMATI BEACH SCHOOL**

1 July 2021

Dear Parents & Guardians,

## **TE MOANA – ROOM 23 & 24 - TRIP TO KAITAWA RESERVE**

We have had the worst luck with the weather and our trips this year! Our final postponement date for our trip to **Kaitawa Reserve for Rooms 23 & 24 is Wednesday 7<sup>th</sup> July.**

The trip will run exactly as it has been planned previously. The students will **leave school at 10am** to get to Kaitawa Reserve. Once there, they will participate in three rotations.

### **Rotations:**

- Tree planting and learning how to take care of our local environment.
- A scavenger hunt to learn about our native flora and fauna.
- Observational drawings of the local flora and fauna.

### **Even if the weather is nice the children will still require:**

- Gumboots or old shoes
- A big snack for morning tea
- A drink bottle filled with water
- Gardening gloves if they have them.
- A spare pair of socks to wear if their socks get wet.

The children will **return to school around 1pm.**

We would love **at least three adults from each class to join us on the trip.** They would come with us on the bus and look after a small group of children. If you are able to help (or still able to help) please let your child's classroom teacher know and indicate your availability on Kindo (*you do not need to tell us if you cannot help*). Please note that unfortunately we are unable to take toddlers or other siblings on the trip.

We look forward to finally going on this trip!! Fingers crossed for good weather next Wednesday!

Regards,

Rosie Powell & Nicola Simons
