

8th August 2018

Dear Parents & Guardians

As you are aware teachers at Raumati Beach School, who are part of the NZEI will be taking industrial action on Wednesday 15th August. The BoT met to discuss the implication of the industrial action on the school and the options open to us.

The BoT have carefully considered the availability of non union teaching staff and unfortunately have decided to confirm that we can not provide normal teaching services on this day. Therefore, the school will be closed for instruction. The office staff and non NZEI members will continue to be present at school that day.

We understand that this is inconvenient for parents and students alike. The Board does fully support the teachers in their decision to take industrial action and encourage our community to support our hard working teaching staff.

Regards,

Nichola Coe
