

RAUMATI BEACH SCHOOL

February 2021

Dear Parents & Guardians,

SCIENCE ROADSHOW TRIP

Date: Monday, 29 March 2021

Session(s): Rooms 15,16 & 13 - 9.30am - 10.50am
Rooms 14,18 & 17 - 1.35pm - 2.55pm

Venue: Paraparaumu Beach School
Gray Avenue
Paraparaumu Beach

Cost: **\$8.50** Register and pay on Kindo by **8th March**

What does the roadshow involve:

Team Kapiti have the opportunity to visit the Science Roadshow this year. A visit to the Science Roadshow is a fun, exciting and interactive learning experience of science for children.

It includes live shows and hands-on exhibits that broaden students' knowledge of science, technology, engineering and mathematics. It strongly supports the Nature of Science strand and the Five Foundational Science Capabilities.

One 80 minute session includes:

- Shows
- "Experimenting!" - thinking scientifically and learning how to experiment.
- "Up, down, all around" - the science of gases

- Exhibit Themes
- Electricity
- Fair Tests
- Flight Lab
- Human Performance
- Light
- Magnetism

They are also developing activities that will be new too.... For example, Flight Lab (exhibit theme) will allow students to explore and directly engage with selected concepts of flight, including launching and modifying their own rockets — in a safe and experimentally controlled manner! This is a specific learning context which further extends NoS/Foundational Science Capabilities processes. An integrated unit on flight, along with other resources, will also be available for downloading.

Cost:

- The total cost of the trip is \$8.50 this covers the bus to and from Paraparaumu Beach School
- **Payment is due by Monday the 8th of March**
- Supervising teachers and adults free

How to sign up

Payment and registration is to be made through **Kindo** which is found on the school website (www.raumatibeach.school.nz) or through the office.

Please let me know if you would like a notice printed out and given to your child.

Regards

TEAM KAPITI
