

RAUMATI BEACH SCHOOL

27 September 2017

Dear Parents and Caregivers

TE MOANA JF EL RANCHO CAMP UPDATE

Thank you all for your fundraising support this term. We have a request in to El Rancho to get a baseline costing for our camp but have yet to receive a response from them. In the meantime, we anticipate that the total cost per student will be around \$200 - **before fundraising**. The final costs won't be known until we have completed all our fundraising for this term and early next term.

In the meantime, you are able to build up your credit in Kindo which can be allocated later to camp fees.

We are aware that some families may need help financially - please contact Jo Fothergill before the end of Term 4, Week 1 to discuss arrangements (jo@raumatibeach.school.nz). We are also aware that some people might like to sponsor another child - if you wish to do this you can also contact Jo Fothergill to discuss this.

We are in the process of sorting the final police vets for parents who've indicated they can stay overnight - we hope to confirm ASAP which parents these will be. At this point we will have 9 parents attend the whole camp (including overnight) and a further 5-6 as day helpers. Other parents can come and visit during the camp but there will be extra day charges for these parents.

A camp consent and medical form will be sent out for you to fill in at the beginning of Term 4.

Any questions that you may have regarding camp please contact your child's teacher.

Many thanks

Te Moana JF Teachers
