

RAUMATI BEACH SCHOOL

14 June 2018

Dear Parents & Guardians,

MID-YEAR REPORTING 2018

As part of our school information and reporting process, parents and caregivers of students in years 3-8 will receive a mid-year 'progress snapshot' report this Friday, followed by an opportunity to meet with the classroom teacher in week one of term 3.

The progress snapshot provides information regarding student progress in reading, writing and mathematics, along with a brief general comment.

The parent/teacher meetings provide an opportunity for you to share information and discuss your child's progress and achievement at school. Meetings will be 15 minutes long in duration. There will be time to ask questions, look at your child's work and celebrate progress towards their learning goals. We encourage you to include your child in the meeting so they can be involved in setting goals and deciding on next steps.

We will also be circulating a short parent survey to gather information and views from you-our parent community- around our reporting procedures and processes, what you value, what you would like to see included etc. There will be an opportunity for you to complete the survey when you come to the parent/teacher meeting as well as online.

Regards

Julie Morris
DEPUTY PRINCIPAL (Student Achievement)
