

RAUMATI BEACH SCHOOL

17 March 2022

Dear Parents & Guardians,

KIWI ENGLISH, MATHEMATICS & SCIENCE COMPETITIONS - 2022

The University of Canterbury is offering your child the opportunity to participate in the KIWI English, Mathematics and Science competitions. These competitions take place annually and are designed by New Zealand teachers for New Zealand students based on the New Zealand Curriculum. For further information, please consult the CAM website www.canterbury.ac.nz/cam.

The competitions are open to all Year 5 - 10 students in English, Mathematics and Science. Students can enter in one or more subjects. The competition will provide parents/caregivers with an Individual Pupil Report of a student's performance. The supervised online tests will take place in the last 3 weeks of Term 2.

All participating students will receive a certificate, and a prize will be awarded to the top student nationally in each competition.

NOTE: The University of Canterbury's policy is to not release test papers. These tests are provided primarily as a competition and not as a teaching resource.

Entries and exams are administered at Raumati Beach School and cost \$9.50 per exam.

If you are interested in your child taking part, please sign your child up on Kindo by Thursday 14th April. No late entries will be accepted.

Regards,

Jo Fothergill
