3 June 2020

Dear Parents & Guardians

## **KAPA HAKA PRACTICES STARTING**

Your child has expressed an interest in joining our Kapa Haka performance group. Our performance group practices are starting this week. We will be meeting on Wednesday mornings to practise our waiata and haka. We are working towards performing at Takiri o te Ata Regional Kapa Haka Festival later in the year, if it goes ahead. This festival is held annually in December and is open to all schools in the Kāpiti region. We will be practising appropriate distancing and sanitising as required.

Please make contact if you would prefer your child started later in the term.
