Dear Parents and Guardians

WHAREMAUKU - LEARN TO PLAY THE RECORDER

Next term we are all going learn to play the recorder. For health reasons we will all need to buy our own recorder.

We have sourced good quality recorders and are now selling them on Kindo for \$8.00 each. You can find the recorders in the stationary menu of Kindo, or pop into the office and purchase directly with cash or eftpos.

If possible could you please make sure that your child has a recorder at the beginning of Term 3 ready to start learning to play.

Regards,

Mariee Mear
