

RAUMATI BEACH SCHOOL

21 February 2019

Dear Parents & Guardians,

DON'T MISS THIS FANTASTIC OPPORTUNITY!!

We are delighted to announce two fantastic opportunities for family and friends to hear two outstanding speakers and learn more about school initiatives.

Relationships Matter: the use of restorative practice in school and homes Lead by Marg Thorsborne

Discover a little more about the school's relationship based approach to 'discipline' and how you can help to build effective relationships with your children in the face of challenge. This will be a thoughtful and interesting evening, lead by Marg who is a dynamic, humourous and skilled presenter, as well as an international expert on Restorative Practice.

Thursday 28 February, 7- 8pmin the Learning St

Queries? Email: Prisca (pmacdonald@raumatibeach.school.nz)

Supporting your child's learning in Mathematics An evening with Dinah Harvey

Join us to learn more about your child's learning in mathematics and how you can support them. This will be a fun, informative and practical session for parents, grandparents, caregivers.

Wednesday 6 March, 7-8.30pm in the Learning Street.

(Please note, this session is for adults not children. There will be movies playing in a couple of classrooms to help with childcare).

*****Please sign up on Kindo to help us with numbers*****

Queries? Email Wendy Keating (wkeating@raumatibeach.school.nz)

A reminder: Friday 1st March is a TEACHER ONLY DAY. School is closed for instruction as the staff learn more about restorative practice with Marg Thorsborne.

We hope to see you there!!

Regards,

RAUMATI BEACH SCHOOL
