Dear Parents & Guardians

## **TE MOANA JF - SEESAW ePORTFOLIO NEWS**

Seesaw for Schools 4-month trial

Last year a number of the Year 5 and 6 classes used Seesaw as a way to share learning from the classroom to home. This year our whole team is using it and because we have got off to a great start Seesaw has contacted us to give us a trial of the full (paid) version of their product until the end of June.

One of the things that we will be doing is evaluating its effectiveness, especially regarding home/school communication. We are very interested in your take on this product and will be inviting your input as part of the review early in June.

In the meantime, if you haven't seen the invitation to connect to your child's portfolio please let their teacher know.

Regards,
