## Wharemauku Iti

22 May 2018

Dear Parents, Guardians & Whanau of Wharemauku Iti,

### **WHAREMAUKU ITI - STUDENT LED CONFERENCES - TERM 2**

In Wharemauku Iti we have been working alongside our students to develop their learning journey books that celebrate and demonstrate their successful learning. Your child will be hosting a student led conference on Tuesday 26<sup>th</sup> May 2018.

There will be a form on the wall in your child's classroom to fill in, please choose a time that is convenient to you and your child, as they will be leading the discussion.

This conference has a 15 minute time frame per student. There will be three student led conferences happening in the classroom at the same time. The classroom teacher will be roving and available. However this is an opportunity for you and your child to engage and discuss their learning journey.

After this student led conference you will know where your child is at and how they are doing at school, however if you feel you need clarification or more information please feel free to let their teacher know and they will give you another opportunity to meet with them.

***Wharemauku Iti (Rooms 1, 2, 3 and 5) will finish school at 2pm on Tuesday 26<sup>th</sup> June and conference slots will start from 2.15pm, the last slot will be 6.15pm.***

Regards,

Allie McHugo, Michelle Abraham, Tansy Sharp and Beth Brady
