If you wish to load a photo instead of or as well as your child's artwork, instructions on how and where to are on the order form. Please follow the steps carefully and make sure you tick the box saying you have submitted your photo before returning with your child's order form and payment in the brown paper bag to the office.

If you are paying by **cash** please make sure the cash is sent back to school in a **sealed envelope** with your child's name and room number clearly written on the envelope, and along with their artwork placed back inside the brown paper bag. This is to stop any coins or money falling out of the brown paper bag, ensuring the correct money arrives to us to be able to place your order successfully.

You also have the options of paying by **EFTPOS** at the school office or via the **school online shop Kindo**. Instructions and the Kindo link can be found on the order form.

The deadline for the return of your child's artwork, order form and payment to the school office is: **FRIDAY 15th SEPTEMBER**

We would appreciate the return of your order as soon as possible. If you have more than one child you wish to order for please place a separate order for each child.

If you could please make sure your child places their artwork and order form carefully in their bag so they don't get crumpled we would be very appreciative!

Thank you for supporting your school. Happy Ordering!
