

RAUMATI BEACH SCHOOL

25 September 2018

Dear Parents & Guardians,

ROAD PATROL TRAINING 2019

Your child may be interested in being trained as a Road Patrol Warden for 2019. This is a great opportunity for students to participate in an important element of daily school life.

On Wednesday 17 October (week 1, term 4), Constable Andrea Noble will be joining us to train new road patrollers. **If you give permission for your child to participate in this training, and to undertake duties next year, please complete the permission on Kindo.**

If your child is currently a patroller and would like to continue next year, please also sign them up so that they can be involved in supporting the training.

We are often overwhelmed with students who would like to undertake this role but are limited to approximately 20 patrollers. Constable Andi will select those students to be part of the 2019 group. Once selected for 2019, your child will be rostered on for a duty each week. **They need to be committed to fulfilling this duty, and need parent support to ensure they are on time or reminded of duty days.**

Please complete the Kindo sign-up by Friday 12 October.

Please do not hesitate to contact me with any queries: wkeating@raumatibeach.school.nz

Regards,

Wendy Keating
CO-ORDINATOR: ROAD PATROL
