

# ***RAUMATI BEACH SCHOOL***

9 March 2017

Dear Parents & Guardians,

## **TE MOANA JF – INTRODUCTION LETTER – JENNI ADAMS**

Tena koutou katoa! My name is Jenni Adams and I will be teaching Year 5 and 6 students in Rooms 15 and 16, along with Shellee May.

I am an innovative and passionate teacher having taught in the Hutt Valley for 21 years, with 18 years' experience in the Senior end of the school. I have always been particularly passionate about teaching Year 5 and 6 students; helping them to develop and achieve their true potential, through inquiry and self-regulated learning. My particular strengths and interests lie in Literacy, Numeracy and P.E, and I enjoy working in a collaborative learning environment.

In my spare time I enjoy reading, attending the odd movie or show, and spending quality time with my husband and eight year old son. We have recently moved to the Kapiti Coast and are looking forward to our new life here.

I am very excited to be teaching at Raumati Beach School this year, and to be working alongside a dynamic teaching staff. I look forward to the year ahead and meeting you all.

Regards,

Jenni Adams
