

# Raumati Beach School

## 2018 Student Placement Information Form

It is a school policy to consider the social and emotional well-being of the student and their learning needs when composing classes. This form provides parents and/or guardians with an opportunity to provide information that may be applicable to their child's class placement. This information will be considered by teachers and team leaders when allocating students to classes.

Information must be supplied on this form. Before completing, please note that only information which meets the school's criteria will be considered.

The form can be emailed directly to Julie Morris (Deputy Principal Student Achievement) at [jmorris@raumatibeach.school.nz](mailto:jmorris@raumatibeach.school.nz) or a hard copy can be submitted at the office.

Please note that the school will continue to do its best to meet the needs of the parents and children within our community. We cannot however guarantee any placement request due to the complex process involved in placing close to 700 students. Thank you.

**Details of child** Name:

Year:	Current Room:	Current Teacher:
-------	---------------	------------------
