Dear Parents & Guardians,

KAPITI INTERSCHOOL SWIMMING COMPETITION 2020 - THURSDAY 2nd APRIL

If your child is interested in competing in the Inter School Swimming Competition, please register details on **Kindo**.

This event will be held at the **Coastlands Aquatic Centre on Thursday 2nd of April**. They are eligible to compete in two events plus a relay. They will need to be confident swimmers. Please **do not** register your child if you have any doubts around your child's ability to confidently swim 2 lengths of the large pool. They could potentially be competing against swim squad swimmers.

This year the races are run according to year group and gender. The junior competition starts at 9:30am and should be finished by 12pm. The seniors start at 12pm and will finish by 2:30pm (**Juniors are Years 4, 5 & 6, with seniors being Years 7 & 8**).

We will need help transporting competitors to and from the pool for both the senior and junior sessions, if you are available please indicate on Kindo.

We also will require parent help to assist with marshalling and team supervision for the events.
