

# RAUMATI BEACH SCHOOL

25 February 2021

Dear Parents & Guardians,

Join us for

## PIZZA, PUZZLES AND PROBABILITY

An evening of mathematics fun for the whole whanau with

Dinah Harvey  
and the RBS team!

Monday 22nd March  
6 - 7.30pm

Drop the kids off to the hall just before 6pm for a pizza dinner, then head to the Learning Street to hear more about learning in mathematics from Dinah.

Then, at 6.30pm the teachers will bring the kids over and you'll have an hour or so to explore a variety of math's games that you can then play at home.

***Please RSVP on Kindo by the 18<sup>th</sup> March using the trips and events menu, to help us with numbers and pizza orders.***

**NB: no charge for the pizza.**

Sorry parents, you'll have to have your dinner when you get home!

If you have any queries, please don't hesitate to contact Wendy or Karen  
(as below).

We look forward to seeing you!

Dear Parents & Guardians,

Join us for

## NETSAFE

[www.netsafe.org.nz](http://www.netsafe.org.nz)

Join us for a free parent information evening

6.30pm, Tuesday 16<sup>th</sup> March 2021

Raumati Beach School - in the Learning Street

"Online safety for parents and whanau is more important than ever. As young people and children begin to spend more time online, it's important that parents support them to build their knowledge of the online environment and to develop emotional and social capabilities to help them make safe and responsible choices when they are online." - Netsafe.

Join Netsafe's Education Advisor as they unpack the risks, challenges and opportunities of digital technology, and the practical ways we can all help young people to be safe online.

We advise that you leave your children at home so that we can unpack all of the risks online. We will have one classroom open with supervision and a movie.

***Please RSVP on Kindo before the 15<sup>th</sup> March using the trips and events menu, so that we know numbers attending and supervision of children.***

Although this is predominately for our whanau that have students in yrs 5-8, if you have younger children in years 1 - 4, this will still be of benefit.

Nga mihi nui,

Kate Hudson-Gill (AP senior school)
